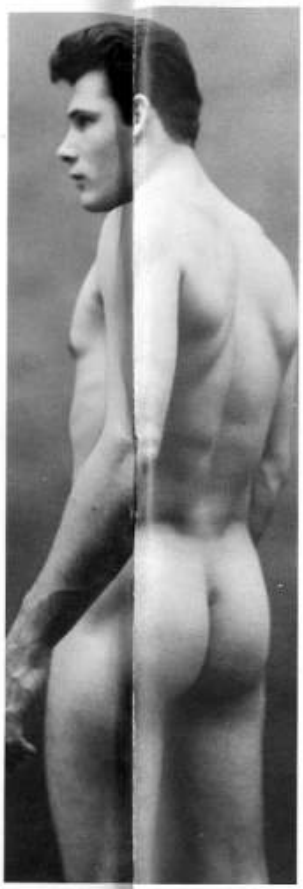
Kelly's fingertip and thumb clamped over the pebbly roughness of the rigid nipple, pinched, and Dash groaned again, his hips flailing wildly in response to the deep passion seething in the cauldron of his belly.

Hot as hell. Gotta cum! Gonna whack off and shoot all over myself and scoop up the juice and swallow it—or like Dana says he does when he beats off.



"Dri

A subtle backward rocking motion increased the pressure. Kelley gasped as he felt the tip of his cockhead slip deeper into the excruciatingly tight ring of spasming sphincter muscle.

"Drive that cock as far into my guts as you can. Ride my ass, man, and spit a big, hot load of cream into me. Cum, you fucker. Fill me up till it runs over. Give me your cum, Kel."

Kelley's hips pivoted, loose-jointed, independent of the body, snapping forward, hard, viciously, driving deep into the yielding ass-hole, sinking slowly, disappearing gradually into the incredible heat of the back-bucking body.

"That's the way I love it, stud. On my back with a big, butch stud hanging in the air over me. Get a good hold with those knees and pump me full, Kel."

He stretched out, running his hands lazily over his body, thrilling to his own touch, the silky texture of his skin, the underlying power of strong musculature, the deep, grinding lust of his own sexuality. He could turn on to himself with great joy. Raising his hips off the bed he skinned down the wisp of cloth that let his big meat snap free and arch up in a tall curve to slap smackingly onto his belly. He fingercombed the thick forest of red hair, fondling the vein-corded base of his hard prick, easing a loving fist around the straining girth, milking the loose skin up into a bunched and ruffled hood extending beyond the tip of the steadily oozing cockhead.

Hot as hell. Gotta cum! Gonna whack off and shoot all over myself and scoop up the juice and swallow it—or like Dana says he does when he beats off—catch it in my hand and tongue it into my mouth and drink it down.

He started stroking, slowly, to tease himself toward the slowest possible build up, hopefully to progress to the most fiercely satisfying orgasm possible through masturbation.

He froze, raised his head sharply, listening, certain he had heard something.

"Kel?"

He relaxed slightly, scrambling under the sheet before answering.

"What's the matter, Dash?"

"I had another dream. May I come in?"

"Sure. You okay?"

"Shook up, but otherwise . . . "

The golden body materialized out of the darkness, ghostlike, almost shimmering. Kelley caught his breath at the sight of the naked form, the lean, compact beauty of his athlete's physique. His cock throbbed strongly, and he flipped over onto his side so that sheet would drape loosely about him, camouflaging the raging excitement.

"Kelley, let me sleep in here. It's going to be a long time before I can fall asleep again."

The tremorous voice, the almost hidden plea for companionship, the dread of being
